GENERAL INFO

Congratulations on the purchase of your Leclerc Wheeled board.

Attaching the leclerc Wheeled Board will ensure a joyful ride for you and your child for sure, comes with an attachable seat. The intended use is for 1 child at a time, approximate age of year 2 to 5 years old, maximum weight of 25 kg.

Please read this manual before using the product.
Please note incorrect operation can endanger the safety of your child.

The wheeled board fits all leclerc Magic Fold™ strollers in a short time without tools. The included straps make the wheeled board easy to stow when not needed.

Safety warnings:

- WARNING:** Never leave a child unattended.
- WARNING:** Do not let your child play with this product.
- WARNING:** Excessive weight may damage the product and safe use can no longer be guaranteed.
- WARNING:** The wheeled board is designed for ONE child only.
- WARNING:** Make sure that your child is always well-strapped when using the seat.

WHEELED BOARD

Leclerc wheeled board

This product allows you to transport your child comfortably without fatigue with your stroller. Simply mount this handy product on the rear axle of your Leclerc Magic Fold™ stroller. It can be used as a standing platform and with the optionally available seat for sitting.
